As I slid not witness the gin or commencement of these and other esses, I leave them for athers to detail.

Permit me, in conclusion, to say I pen the above with feelings of sorrow, mingled with the most painful regrets. No man can feel, much less express the horror'l political opponents—gentlemen whom the good and wise of all parties respect; nor hare they thought the less of me for being a Democrat. If other evidence were wanting to prove this fact, their hearty support in recording their sulfrage for me on Monday last ought to sullice. venerate religion; I have no feelings o animosity against any order; nor can I believe religion was given to man to quar-reland light about, but lo escape to a bet-ter and happier world after death. My Democracy, founded as I firmly believ it to be upon the Constitution of the U mited States, with an abilting confidence in all constitutional acts of Congress, and a desire to set as honestly and fairly my part in all the leasuress and social rela tions of life, at this time, and thus far, forms the whole sum and substance of my religion. Itsuce I can nover bearrayed against any Order, or do knowingly any party injustice. Respectfully, THOS. M. IHCKS.

LOUISVILLE, Aug. 10, 1855.

A That famous man and clever (both in the English and American acceptation of the world) gentleman, John U. Breckinridge, has purchased Basswood Island, em of the groupe of Apostle Islands in Island Superior, and intends erecting a him.

testimany elicited at the examination on Monday up to the adjournment, when the case was put over to Friday. The com-plainant, Laura Van Honser, testifies that she went into Dr. Sanford's office on Sanday P. M., July 29, to got something for n sore arm; that Dr. S. gare her a mixture to drink, soon after which she remembers nothing until the next mornand the first any one of the near that the second the first after he had been strick on the head three or four times with clubs. He convert the many ship this second the first and the second hours belief and pasted white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found a pixth white the pells to record their and found the pells to pells to record their and found the pells to pell the pells to record their and found the pells to pell the pells to record their and found the pells to pell the pells to record their and pells to pell the pells to record their and pells to pells to pell the pells to record their and pells to pells to pell the pells to pells to pell the pells to pells ing, when she awoke in the bed of the to-day?

In our character.

From 2 o'clock until the close of the polls. From 2 o'clock until the close of the polls I received but one or two voles in lact, I may say from the time the polls. We were postered and distance below Wood's 120 on the work. I gave yellow tickets to two whom I believed to he my friends to carry through the crowd. They went in, disanched the yellow, and voted the Democratic ficket, for which I sow them knock and the wood in the control of the control of the polls promising to prevent, in case of the my to go to the polls, promising to prevent, in the forecast in the fore controls, and the control of the polls, promising to prevent, in the forecast in the forecast in the control of the polls, promising to prevent, in the forecast in the fo these votes are by bitth Americans, and all respectable and miduly entizens on gaged in lassiness. There are (if I am eorpectly informed) seeme 23 of my friends on Jefferson street, between Fifth street around Third, including three in the house of W. H. Johnston, Esp., also James Methods and Third, including three in the house of W. H. Johnston, Esp., also James Methods and Third, in consequence of the disorder respectively. The borden of W. H. Johnston, Esp., also James Methods around the lines are disorder at the polls. But the most inhuman of all the acts of the day was reserved for the acts of the day was reserved for the afternion. A gang of rewrites had in keeping and low a poor man all bloody, the ground, with great violence, and ac-Un Sanday, information was

fering very severely from her injuries.

Pittsburgh Post.

A SLAVE CASE IN NEW YORK .- Mr. J. H. Thompson, of Georgia, on a visit with his family to Fort Edward, Washington county, was cited to appear before Judge tilitson, soon after his arrival and produce the person of an alleged slave Emily, complained of as in possession of said Mr. Cudmere; an assault attempted on with him a colored girl of alout 20 years, Mr. Hampton, an honorable and good man, &c. As I did not witness the ari- was not restrained of her liberty, but had been informed previous to starting upon the journey that she would be free to leave kim if the desired upon arriving in the free States--that she had no desire to leave him, but preferred to return to her southern home. No one appearing to prospect the writ, the Judge discharged the same. The girl Emily had not the same. The girl Emily had not heen consulted previous to the preferment of the complaint .- N. Y. Express.

THE SPIRIT OF THE PRINTERS .- The following is reported as a true message from a certain individual now in the

Spirit World," as we have been told: Rappor.—John Smith? Spirit of John answers by two raps.

R.—Are you happy. S.—Yes, in all but one thing.

R .- What is that? 8 .- Heft the world without calling on

S .- Call on the poor printer, and pay him them four dollars, but it's too late. R .- No! send u message to your one fond, dear wife to pay it for you and then

you will be happy.
S.—Yes, yes! Tell her if she wishes me to enjoy eternal happiness, to go at once and discharge that debt, and ever-

lasting bliss is mine.

R.—I will do as you bid mo.

A message is despatched to Widow Smith, informing her of the sufferings of her late husband, on account of not making the landsof D. Howard Smith Esq. and her late husband, on account of not making his peace with the printer. Shows swers that she will go at ones, pay the man of types and ask his forgiveness for the poor dear Smith.

SEVERAL HIKELY NEGROES at the same thee. Said to take phenom the premise yearmeneing at 11 o'clock A. Madso the Thampton poor dear Smith.

-1 sent a message as you bid me to your wife, and she is, ere this, on her way to the friend you had forgotten whilst

S.-O, joy unspenkalde. R.-She has seen the printer and paid

S .- Happy! happy! and H!! The above is a warning to you who will not leed the call of the "man of types." You may, like Smith, die and suffe same pangs of remorse. If you wish to onjoy everlasting ldiss hereafter, make your peace with the printer.

THE "KINK."-Riding through one of our country villages, a short time hefore our annual election, we chanced to meet a boy with books, slate, &c., under his arm, whom we recognized to be Protestant clergyman's son, of the vil lage-when the following dialogue cusu

"Well, my son, have you been to school

taking him to jull- for what offense I know complished his infamous purpose. The mot. As they cushed past my door I went out after them. When nearly opsposite the coulderst sorner of the court house, a genteelly dressed foreign r, I believe an Irishman was coming up the yard. He turned out to give the pass to the mob, when a part of them, eried, out in sealed of the samplest law when she recovered, the black heart of viril and filled. The unfortunate vicinity and the father and brother start the mob, when a part of them, cried, out in search of the samplest law or chards and samplest law or chards and only five Catholics churches! Protestant and only five Catholics, who now have they five churches in the State, while the Protestants have two himself and forty-seven congregations. In Texas, the Catholics were the first sect in the mob, when a part of them, cried, out in search of the samplest law or chards and only five Catholics churches! Protestant and only five Catholic churches! hundred and seven societies in the State. The number of Episcopal, Latheran upd Roman Catholic churches are nearly the same throughout the country, but each of the three denominations have about one-eleventh of the number of the Methodists, scarcely one-eighth that of the Baptists, and not one-fourth that of the Presbyterians. The entire Protestant population of the reuntry, compared with that of the Catholic, is about twelve to one. Boston Transcript.

> THE VOTE FOR GOVERNOR .- We have returns from every county in the State, mostly official, but in some eases merely reported. According to the returns received at Frankfort, the total vote stands thus:

Murchead. 78 counties, official 01,225 53,07t 25 counties, reported 1,787 5,644 63,012 58,715

Morehead's majority 4,297
